

FORTUNE AUTOMATIC DISH WASH RANGE

FORTUNE AUTOMATIC DISH WASHING DETERGENT

You really can't find a better dishwasher detergent. Not anywhere.

Fortune™ Automatic Dish Washing Detergent is an extraordinary Dishwashing Detergent, made for Automatic Dish Washing machines, that removes the toughest of stains, baked food and grease. Dishes, glassware come out spotless clean. Independent tests show our Automatic Dishwasher Detergent cleans better than the traditional leading brands. Our new formula has been improved to reduce spotting and filming in hard water, and granulated to ensure that it stays free flowing, making it much easier to use.

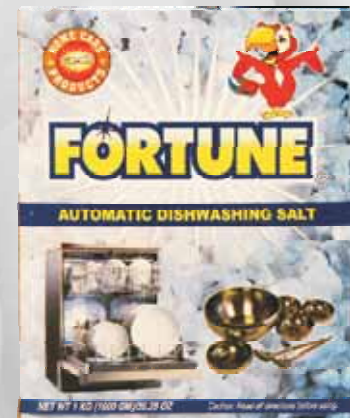

FORTUNE AUTOMATIC DISH WASHING RINSE AGENT

A concentrated liquid rinse agent for use in Automatic Dish Washing Machines. Fortune™ Automatic Dish Washing Rinse Agent reduces rinse water surface tension and thus promotes rapid spot and streak free drying of dishes, trays and utensils. Fortune™ Automatic Dish Washing Rinse Agent gives a sparkling finish to the dishes. It prevents calcium deposits and helps in removing residue of unnecessary chemicals from your dishes.

FORTUNE AUTOMATIC DISH WASHING SALT

By using Fortune™ Dish Washing Salt, the water can be reliably softened, substantially increasing its cleaning performance. Fortune™ Dish Washing Salt has a high NaCl content, and dissolves extremely quickly, which are the most important requirements for dishwasher salt.

- ↳ Stops the build-up of lime scale and improves the resulting shine of tableware: the salt should be kept topped up at every cycle, especially in hard water areas.
- ↳ Ensures the best possible wash result and extends the dishwasher lifetime: salt dissolved in water is run through the softening unit of the dishwasher, which is meant to remove lime scale and calcium from the water.
- ↳ Contributes to improved detergent effectiveness
