

FORTUNE™ DISH WASH LIQUID

Fortune™ Dish Wash Liquid has a superior formula that seeks out greasy soil, cuts through it, surrounds the removed soil and lifts it out of your dishes. The formula leaves the utensils clean and shiny along with a pleasant fragrance of freshness. It only takes a little amount of Fortune™ Dish Liquid to clean many utensils. Its pH balanced formula is safe on hands and tough on grease and stains. Fortune™ Dish Wash Liquid is ideal for stainless steel, glassware, crockery and non stick cookware. Use Fortune™ Dish Wash Liquid to see how well it cleans.

The concentrated formula lasts for a long time and we recommend that you squirt only a small amount into your sponge for cleaning dishes. Squirt on scrubber "as is" and use. Fortune™ Dish Wash Liquid is very concentrated; a little goes a long way in cleaning. You may increase or decrease this amount depending on the amount of grease.

Fortune™ Dish Wash Liquid is available in five fragrances Strawberry, Mint, Lemon Yellow, Lemon Green and Orange.

Fortune™ Dish Wash Liquid has been enriched with Essential Oils that provide a pleasant aroma while dishes are being washed.
